Note

Serial No 1 is the usual notification whereby applications are invited for the Engineering and other scholarships

Subject for Decision ——

The condition "that the Engineering "students (scholarship holders) are "bound to enter into an agreement "to serve the Mysore Department after "they pass out, should their services be "required by the Mysore Govt., or to refund "the full amount of the scholarships "drawn by them if they refuse to serve" —— this should be omitted in the future notifications

The reasons urged for such an omission are

(1) - The late Chief Engineer often used to declare that the Govt were in no way bound to give employment to the scholars after they take their Degree in Engineering and Govt have looked upon the scholarships as an aid given to Mysore students to enable them in the absence of a local Engineering College, to acquire the profession of Engineering elsewhere

(2) Formerly the lowest place offered by the Mysore P W D to a passed man was that of an assistant Engineer and such a place was

was hardly ever refused But the tendency of late has been to offer them places of Sub Overseers

Please see serial No of the file.

On this point the 1st Cr was of opinion that "Passed men are bound to serve the Mysore Govt, in consideration of the Scholarships granted to them, should their services be required the condition is a very necessary one It ought to have been enforced The P W Depatt will always take into consideration the qualifi-cations of the passed man and offer him such appointment as may be available and considered suitable If the man is unable to accept the appointment, he must be required to refund the fees this is nothing but fair and reasonable"

Please see his remarks No 11642 d 30 6 99

The Chief Engineer who was consulted on the point as per orders of the 1st Cr., holds the same opinion as Mr Bhabha and states that since the Mysore Govt (P.W Depatt) as at present constituted and limited to a sanctioned scale, is not in a position to offer suitable appointments to such Students as take their Degree in — Engineering — and offer any appointments at all, when the sanctioned scale is full, the enforcement of the condition × × × is likely to militate against the attainment of the desired object,

4 as the students might not care to avail themselves of the scholar-ships, knowing that by doing so they would be bound to accept whatever appointment the — Mysore Govt may be pleased to offer, or refund the amount of the scholar-ships drawn by them

The 1st Cr, differing from the Chief Engineer, remarked "I am not aware of any case in which a candidate showed reluctance to accept the scholarships on the condition which is proposed to be inserted before passing orders on the reference ask for a statement of the Candidates to whom scholarships have been granted from the Commencement, how many of them have accepted appointments in our P W D & in what grade and on what pay they have been appointed in the first instance How many scholar-ships, if any, have been granted to outsiders - not natives of Mysore"

The present communication from the Sec forwards a list from the Chief Engineer in which are found the names of the Candidates to whom the scholarships have been granted, The appointment

offered to the passed men and
other particulars have been
given as far as possible. The
several candidates have all
the letters of the alphabet
submitted

KBS
31/10/29

Sub Asst
The Chief
20
list includes 19 names.
The earliest appt
to made was in June
/29 when a passed
candidate was appd.
a 3rd Class overseer
on Rs 60/
In July of the same
year another was
appd overseer 1st
class on Rs 100/
In June/24 the
new grade of Sub Asst.
Engineers appears to

6 have been created
and the above 2 were
taken & that grade
on their former pay
In July/95 two more
were appt. Engrs
on Rs 60/
In Dec/97 a temporary
Sub Asst. Engr
- y place 2 was given
on Rs. 80
a fifth and in Apl/
98 a sum ber appt
was made In the
same year presumably
the 6th seventh was given
a permanent place
on Rs 80/-
This closes the list
of appts. bestowed on
the present mem-
bers who refused the
place of Sub Asst. Engr

on Rs. 60/ and two more would not venture to step up Rs 80/ & start work. This must have been in the earlier days of the institution & change appears to have taken [illegible] over the position of the passed man appears to have altered changed for the worse and one candidate is reported to have got no appt. altho he applied several times and nothing is known of the remaining 8 now on the desk.

No 10117
370
Dated 13th June 1899
Recd

Enclosure No (one)

Subject

Recommending the remission of a condition about appointment in the Notification inviting applications for Engineering scholarships

Subd Gr 1st Jr

The Mysore Government having not framed & promulgated the scholarship holders Rules - it is not clear why I should not have a hold on them - the receipt for the removal of the condition is noticed as clear. The only thing to be said against remission is that the condition would be a check & also bring home responsible each when appointment offered. Then a appointment offered by the Durbar many not be made the acceptance of the person concerned - this seems hardly called for -

11/42

* The proposal under consideration is to remit the whole of the condition, in consideration of the scholarship found of the, should their services be required - The condition is a very necessary one & ought to have been enforced. The Govt will always take into consideration the wishes of the person concerned as far as possible & the appointment as may be available commensurate with the services rendered. If the person so enrolled refuses the appointment he must be required to refund the fees. There is nothing but from remarks Communicated to the person before final orders are passed.

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 10117 Encls 1
370

~~Bangalore~~ Mysore, 13th June 1899.

From

H J. BHABHA Esq,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore
in the General and Revenue Depts,
Bangalore

Sir,

I have the honour to inform you that in the Notification of Engineering and Medical Scholarships D No 23 dated 10th May 1899 of which copy is enclosed and similar notifications published in previous years, it is stated under the head of "Engineering scholarships" that the scholars "will be bound to enter into an agreement to serve the Mysore (Public Works) Department after they pass out, should their services be required by the Mysore Government, or to refund the full amount of the scholarships drawn by them if they refuse to serve" This condition has not been enforced and no agreement has been taken from the Engineering scholars till now under the following circumstances "The late Chief Engineer often used to declare that Government were in no way bound to give employment to the scholars after they took their Degree in Engineering, and so

Government have looked upon the scholarships as an aid given to Mysore students to enable them in the absence of a local Engineering College to acquire the profession of Engineering elsewhere. Accordingly several of the Mysore scholars have obtained employment in the Bombay Presidency and elsewhere. Moreover at the time when the above condition was inserted the lowest place offered by the Mysore Public Works Department to a passed man was that of an Assistant Engineer, and such a place was hardly ever refused. But the tendency of late, no doubt on account of the large number of passed men seeking employment, has been to offer them places of Sub Overseers Moreover the Chief Engineer in his letter No 2848 of the 5th Instant states that "it is not possible for this Department to specify beforehand what posts can be given to successful men" Under these circumstances, I recommend that Government may be good enough to sanction the omission of the condition quoted above from future notifications, and that they may not enforce the condition of refunding the full amount of the scholarships in the case of those who have been given Engineering scholarships till now and who may refuse to serve in the Mysore Public Works Department in any post that may be offered to them. It seems to me that the successful men may be left to make the best terms they can either with the Mysore or any other Government for employment, the scholarships enjoyed by them being considered as aids towards the cost of obtaining high technical education outside Mysore.

I have the honour to be,
Sir,
Your most obedient servant,
H J Bhabha
Inspector General.

EDUCATION DEPARTMENT

D No 23 *dated* 10*th May* 1899

ENGINEERING AND MEDICAL SCHOLARSHIPS

Notice is hereby given that the Government of Mysore will award three Engineering scholarships and three Medical scholarships this year

2 *The Engineering scholarships* will be worth Rs 30 a month and will be tenable at the Madras Engineering College for a period of three years Candidates must have passed the B A Degree Examination Graduates who have passed in Physical Science or Mathematics as their optional branch will be preferred to other graduates Subsistence and other suitable allowances will be granted during the practical course (of one year in the case of Civil Engineering students and two years for Mechanical Engineers) which will follow the theoretical course The period of training in the practical course will count as service qualifying for pension provided the scholars are entertained in the Mysore Public Works Department soon after they pass out from the College They will also be bound to enter into an agreement to serve the Mysore Department after they pass out should their services be required by the Mysore Government or to refund the full amount of the scholarships drawn by them if they refuse to serve

3 *The Medical scholarships* will be worth Rs 25 a month and will be tenable either at the Madras Medical College or the Grant Medical College Bombay in the former college for a period of four years if the scholars choose the L M & S Degree course or for a period of five years if the scholars choose the M B C M Degree course in the latter college for a period of five years Candidates must have passed the F A Examination

4 All candidates must be natives of Mysore They should state their age caste and fathers name and profession in their application

5 All candidates must produce medical certificates of physical fitness from the Senior Surgeon Mysore Government

6 The continuance of the scholarships will depend on favorable reports of conduct and progress received from the Principal of each college and on passing the periodical examinations

7 Applications for the Engineering and Medical scholarships must be sent to the Inspector General of Education in Mysore not later than Monday the 29th May 1899 Applications from students of colleges should be sent through the Principal or Headmaster

AGRICULTURAL SCHOLARSHIPS

Notice is hereby given that the Government of Mysore will award two Agricultural scholarships this year

2 The scholarships will be tenable for three sessions of thirty four months altogether

3 The rates of monthly scholarships are as follows —

	Rs	a	p
First year	10	0	0
Second year	12	8	0
Remainder of the course	15	0	0

4 The scholars will be entitled to double third class railway fare for two journeys to the college and two journeys to their homes during the whole course

5 Candidates for the scholarships must have passed the Matriculation Examination and be above sixteen and under twenty five years of age They must adopt agriculture as their occupation and be likely by birth and interest to devote themselves to the development of agricultural resources of the country They must possess not less than 50 acres of land in their own right or be members of an undivided family possessing not less than 50 acres Candidates must close with their applications a certificate from an Assistant Commissioner or Amildar showing that he or his family is in possession of not less than 50 acres of land

6 All candidates must produce medical certificates of physical fitness from the Senior Surgeon with the Mysore Government

7 The scholars appointed by the Government must join the Agricultural College Saidapet not later than the 1st July 1899 They will have to enter into an agreement on joining the college binding themselves to continue their studies in the college for the prescribed period and to appear in due course at such tests examinations or other examinations as may be prescribed to conform to the rules and regulations of the college and to pay all moneys that may become due by them and this agreement must be signed also by a parent or guardian of such student who shall undertake that the students shall carry out the terms of the agreement The fee payable in advance is Rs 30 per session

8 Applications for the scholarships must be forwarded so as to reach the Inspector General of Education in Mysore before the 29th May 1899 Applications from students of colleges should be sent through the *Principal or Headmaster*

MYSORE P W DEPARTMENT,
CENTRAL OFFICE,
Bangalore 18th July - 1899

From

The Chief Engineer of Mysore
Bangalore

To

The Secretary to the Govt of Mysore,
Genl + Rev Departments

SIR,

I have the honor to acknowledge receipt of your no 547/23 17 96 of the 10 Instant, forwarding for my views, copy of letter no 1017/370 of the 13th Ultimo, from the Inspector General of Education, recommending for sanction, the amount in future, of the Condition laid down in Educational Department Notification D no 23 of 10th May 1899 that (Engineering) scholars "will also be bound to enter into an agreement to serve the Mysore Department after they pass out"

II In reply, I have to observe that the raison d'etre of the State scholarships is to encourage Mysoreans to acquire the profession of Engineering elsewhere, owing to the absence of a local Engineering college, and since the Mysore PW Department (as at present constituted, and limited to a sanctioned scale), is not in a position to offer suitable appointments to such students as take their degree in Engineering - often any appointments at all, when the sanctioned scale is full, - the enforcement of the condition referred to in Mr Bhabha's letter is likely to

But if all Govts and Depts were to adopt the same attitude as Mysore, can the Govt of India accept the responsibility?

8 ~~Sept 10, (41)~~

to insertable against the attainment of the desired object as other cadets might not care to avail themselves of the scholarships, knowing that by doing so they would be bound to accept whatever appointment the Supreme Government is pleased to offer, or refund the amount of scholarships drawn by them. In these circumstances, it seems advisable to accept the recommendations of the Inspector General, and I therefore agree to the proposals made by him in the concluding portion of his letter under reference

III Enclosure is returned

From

H J BHABHA Esq,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore
General and Revenue Departments,
Bangalore

SIR,

Sl No 391
File No 7-96
(Instrs)

With reference to Order No 10857/Ed 437 dated 29th March 1900, I have the honour to inform you that an alteration in para 2 of last years notification regarding the Engineering and Medical scholarships is necessary. I recommend that the last sentence of para 2 may be omitted altogether as it has led to misunderstanding in the past. It gives an impression on the one hand to the scholars that the Mysore Government will most probably employ them after they pass out, and on the other hand to the Government that the passed scholars should accept any post whatever may be the pay offered the

Engineering scholarships like the Medical and Agricultural scholarships so far as I am aware have been offered as an aid to those seeking higher scientific or technical education in other Provinces in the absence of professional colleges in Mysore Under these circumstances I recommend that the concluding sentence of para 2 which serves no useful purpose may be omitted from the Notification I enclose a copy of the Notification for ready reference.

2 On the subject of this letter I have already written to you letters No $\frac{10117}{370}$ dated 13th June 1899 and No $\frac{3704}{150}$ of the 9th October 1899 on which no orders have been passed. } These are in the file of us

I have the honour to be,

Sir,

Your most obedient servant,

H J Bhabha

Inspector General

EDUCATION DEPARTMENT

D No 23 *dated* 10*th May* 1899

Engineering and Medical Scholarships

Notice is hereby given that the Government of Mysore will award three Engineering scholarships and three Medical scholarships this year

2 *The Engineering scholarships* will be worth Rs 30 a month and will be tenable at the Madras Engineering College for a period of three years Candidates must have passed the B A Degree Examination Graduates who have passed in Physical Science or Mathematics as their optional branch will be preferred to other graduates Subsistence and other suitable allowances will be granted during the practical course (of one year in the case of Civil Engineering students and two years for Mechanical Engineers) which will follow the theoretical course The period of training in the practical course will count as service qualifying for pension provided the scholars are entertained in the Mysore Public Works Department soon after they pass out from the College They will also be bound to enter into an agreement to serve the Mysore Department after they pass out should their services be required by the Mysore Government or to refund the full amount of the scholarships drawn by them if they refuse to serve

3 *The Medical scholarships* will be worth Rs 20 a month and will be tenable either at the Madras Medical College or the Grant Medical College Bombay in the former college for a period of four years if the scholars choose the L M & S Degree course or for a period of five years if the scholars choose the M B C M Degree course in the latter college for a period of five years Candidates must have passed the F A Examination

4 All candidates must be natives of Mysore They should state their age caste and father's name and profession in their application

5 All candidates must produce medical certificates of physical fitness from the Senior Surgeon Mysore Government

6 The continuance of the scholarships will depend on favorable reports of conduct and progress received from the Principal of each college and on passing the periodical examinations
